

Community Health Group
Behavioral Health Services
(800) 404-3332

Our Behavioral Health Services Department is available to assist members accessing care and identifying providers who specialize in treating their particular needs.

Medi-Cal Members

Specialty mental health services and substance abuse treatment are benefits available to our members through the Medi-Cal program; however, these services are not covered by Community Health Group. **To access care, please call the County of San Diego Access & Crisis line at (800) 479-3339.**

Healthy Families and CommuniCare Advantage Members

Healthy Families and CommuniCare members may access care by **calling our Behavioral Health Services Department at (800) 404-3332**. Although it is important to speak with your primary care physician about all your health care needs, no referral is necessary to access behavioral health services.
